# ALICE IN WONDERLAND

Remember the busy White Rabbit, the mysterious Cheshire Cat, and the domineering Queen of Hearts? Children and adults alike will enjoy the dance re-creation of Lewis Carroll's two marvelous folktales; *Alice's Adventures in Wonderland* and *Through the Looking Glass*. Memorable vignettes are enacted in **METRO DANCERS'** performance of **ALICE IN WONDERLAND**. Visit the Tea Party, the Chess Game, the Nursery Book and the Garden of Live Flowers. Watch Alice try to play her way through a game of croquet with flamingoes for mallets and some uncooperative playing cards as wickets. Winning is losing in the illogical logic of Wonderland. Set design and costumes match the fancifulness of plot and character; truly a delight for the senses!

**METRO DANCERS** is a regional dance company comprised of local pre-professional and professional dancers who have offered performances of

*Coppelia*, *Les Ruses d'Amour* and *La Fille Mal Gardee* to enthusiastic sold-out school audiences.

For more than 40 years, **METRO DANCERS** has been offering these popular *just for kids* performances. Last year hundreds of children and families attended the performances. This ballet is appropriate for all ages of students from Kindergarten on up. Don't miss this exciting opportunity to see a live dance performance!

## Teacher Comments about Metro Dancers' Productions

### *Lewis School, 2nd grade*

Please, please put us on your mailing list for next year. I could not believe how totally involved my students were.

### *Boise-Elliot School, 5th grade*

Wow! Everything was just first-rate from the teacher information to the performance. Even the macho boys enjoyed it.

### *Madison High School, 9th/10th grade Drama*

The production values far surpassed my expectations. This group of performers is outstanding. The students talked about it all the way back to school. Great job!

### *Portsmouth Middle School, 7th grade Language Arts*

The project has really expanded my students' horizons. The materials provided related to other class work and it was a fantastic springboard for ideas.

### *Arleta School, 4<sup>th</sup>/5<sup>th</sup> grade*

Some of my students had never seen a ballet before. Even the boys who try to be tough and cool were fascinated.

### *Cedar Park School, 2nd grade*

Once the program began, my students didn't even move until the end. That says a great deal. Thanks also for the music CD to help the kids become familiar with the score. They were humming the tunes for weeks after.

### *Woodmere, 3<sup>rd</sup>/4<sup>th</sup> grade*

The ballet was wonderful. Many of my students said it was the best field trip they had ever been on.

### *Sacramento, Kindergarten*

We felt that it was "just right" as an introduction to an art form that many of our students were unfamiliar with.

### *Hall School, 3<sup>rd</sup> grade*

It was wonderful! A great experience for everyone! The pre-performance presentation was extremely important. It helped the kids get excited about it.
