Don't Miss These Wonderful Events!

Comedy and chaos occur in this Old World style ballet that romps through the timeless entanglements of love and marriage. Delight in the antics of parents, lovers and neighbors as they create order out of chaos and see what has changed regarding events of the heart--and what has not! A gaggle of spinning chickens, a dancing maze of ribbons, and a wooden clog dance add a note of hilarity to this absurd tale! The beautiful costumes, sets and music will carry you to another time. This ballet is appropriate for all ages of students from Kindergarten on up.

Don't Miss Some of these FREE Events & Performances

Each spring we have an informal concert, for family and friends, to share the progress that our students have made during the year. For many of our students, this is where they have their first performance experience.

Performing is a rewarding experience that leads the student out of the practice studio and into a world of sharing their art with others. Players learn from each other and are motivated by those who are more advanced. As you watch these programs, you

will find a smile form on your face and you too will be transformed by the magic.

This summer, have your child experience the arts by enrolling in Portland Metro Arts' summer camps! Camps are one of the best opportunities for children to explore their creativity and artistic passion, in depth, that school year schedules may not allow.

PMA is unique because we offer camps focusing on dance, music, theatre, visual arts or a combination with multi-arts; unlike other programs dedicated to a single discipline with few options. We offer several week-long, all day, camps for children in grades 1-6. Camps run from 9:00am-4:00pm, Monday-Friday many camps involve a field trip or special event.

Half Day Option: If your child is unable to join us for a full-day camp, some of our camps have half-day am or pm options.

Childcare for Full-Day campers is available starting as early as 8:00am and going as late as 6:00pm, at no additional charge. Half-day AM campers may make use of before camp childcare and half-day PM campers may make arrangements to remain after camp until 6:00pm.
