PMA 2016 Spring Showcases

Every great artist was once a beginner

Each spring, PMA classes have an informal presentation for family and friends. For many of our students, this is where they have their first performance experience. It is an indispensable part of arts education for families to see and acknowledge the progress their students have made.

Our 2016 Spring Showcase schedule is:

Wednesday, June 8th	Theatre Showcase
Thursday, June 9th	Visual Arts Showcase
Thursday, June 9th	Music Showcases
Friday, June 10th	Dance Showcase

This is the important culmination of our school year season. It is something that the students look forward to all year. Some additional time beyond their regular class may be required. More precise details will follow as time gets closer. PLEASE, put this on your family calendar today.
